FOOD AND AGRICULTURE DEPARTMENT.

G.O.MS.NO. 2107 Dated 13.11.50.
Read the following:

From the Director of Agriculture No. Y2.572/50 dated 30.6.50 and 21.9.50.
*****

ORDER:

In his letters read above, the Director of Agriculture has proposed that officers in charge of cotton seed multiplication schemes may be vested ~~xxxxx~~ with full powers to dispose of the unsold stock of cotton seed as cattle feed at a loss to Government at the end of the season after meeting the requirements of the Agricultural Research Stations.

2. The Government consider that at present there is much demand for cotton seed and it must be possible for the Agricultural Department to dispose of the stock, as seed, if the officers concerned take adequate steps to sell the seeds in the proper season. The Government therefore do not approve the proposal of the Director of Agriculture mentioned in para 1 above and direct that in future specific orders of Government be obtained in each case to sell cotton seed as cattle feed in order that Government may have an opportunity to examine whether the seeds remain unsold, due to anybody's negligence or unsound proposals. In such cases the Director of Agriculture should examine the circumstances which necessitate the sale of seed as cattle feed and submit to Government his report along with the proposal asking for permission to sell the seeds as cattle feed.

Deputy Secretary to Government.
